Food Village

Don't Forget to Link Your Key Tag!

Your Key Tag is essential to your lunch order, this is how you collect your lunch quickly and easily at school every day. When you scan your tag, we instantly know who you are and what you've ordered.
No queues, no confusion, no delays.

To get started, you must link your Key Tag to your account in the Food Village app.

You only need to do this once, and after that, your tag is ready to go.

Keep your Key Tag safe – but if you lose it, don't worry. You can order a replacement and relink it in the app anytime.
